Koolaid:

A Wakefield classic which many will remember! Disorrono mixed with Midori, lime and Cranberry juice shaken served with a wedge of lime. very refreshing and easy drinking.

Cheeky Tiki Ting:

One of our most popular cocktails to date this Tiki-fied creation is dedicated to overproof rum and their unique tastes and qualities blended with caramel and lime served straight up in a can of Ting grapefruit soda.

Ever so tasty this beauty can pack a punch with two types of overproof rums.

Rhubarb Sour:

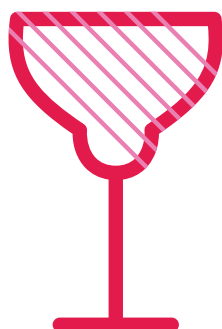

Very new to our bar we thought being apart of the Rhubarb triangle we were obligated to bring you something that will send your tastebuds back to your childhood!

This little sweetie has rhubarb vodka mixed with sweet and sour and cranberry juice. lovely addition to the bars new cocktail menu.

Raspberry Cosmopolitan:

Our take on a classic cocktail! we have replaced the citrus vodka with raspberry vodka to give this bitter sweet treat some new feet, served in a long legged stemmed coupe glass and raspberry on the side.
